S5000 Shower Hinges
– unbeatable versatility and inherent beauty for today's modern homes

dormakaba S5000 shower hinges make a significant contribution to the overall attractiveness of shower doors. Designed to meet demanding specifications, it offers the ideal solution to the widest possible spectrum of requirements.

The S5000 shower hinges are designed for doors up to 900mm wide and a maximum of 55kg in door weight. It is suitable for glass thicknesses of 10 and 12mm. There is also a self-closing feature from approximately 20 degrees, which helps to ensure that the door is kept tightly closed against the door jamb.

The robust S5000 shower hinges generate an unsurpassed standard of durability and reliability.

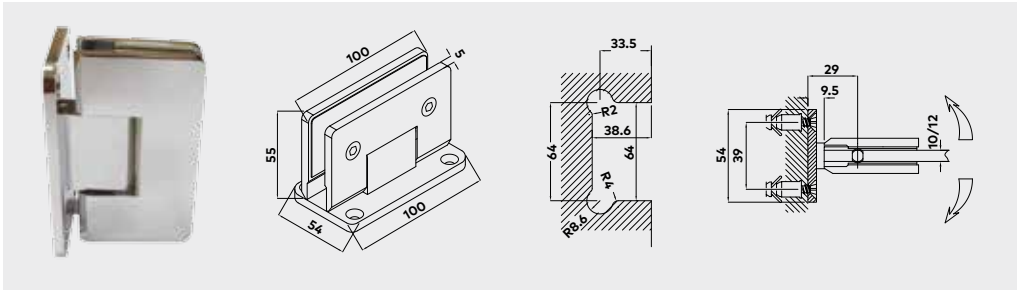

Designed for frameless glass shower doors of:

- 900mm wide
- 2400mm high
- 55kg door weight
- 10 or 12mm thick tempered glass

The S5000 shower hinges are available in polished chrome finish as standard.
